Checklist for Financing Bio-energy projects

- Dream** - Requires only one courageous person to start with
- Team** - Bobsleigh analogy; need a driver, pusher and brakeman
- Credit Strength** - Leverage your cash and share risk
- Feedstock** - Do you control the feedstock or just pretending?
- Market** - Do your research and look locally
- Equipment** - Define feedstock type, volume and market first
- Timelines** - Most common missing ingredient, need benchmarks
- Coach / Mentor / Advisors** - Most important ingredient
- Government Support** - Need support, but be very careful
- Business Plan** - Short and concise, gets you in the room
